WORSHIP MINISTRY There are several opportunities on Sunday and throughout the week to use your talents and volunteer some of your time to the church. Please fill out the small weekly welcome form with your name and an area you would like to volunteer. The office is starting to prepare the last quarter of 2011 worship ministry schedule. There are lots of other ministries that are not on this schedule where people can help. So please, look at the needs of the church and pray about where you see yourself using your talents.
